

AGENDA ITEM 12

Notice of Motion (Cllr Stabler)

Motion - West Rainton has historic links to the Marquess of Londonderry - The Drill Hall, Londonderry Hall School etc examination of historic maps held at The Story (Durham County Archives) shows that Marks Lane name has been abbreviated from Marquess Lane to Marks Lane.

Examination of historic maps show Marquess Lane, Marq's Lane to Mark's Lane. I move that the Parish Council writes to the residents of the 4 properties directly affected (DH4 6NX), and commences a 6 months consultation period to gauge public opinion to see if there would be any objection to return this road to its original name of Marquess Lane.
