Hello

I'm the Registered Manager at a children's home in West Rainton. As part of our company's community initiative, we're looking to give back to local organisations and projects.

I was wondering if the parish council has any particular needs or plans you're fundraising for at the moment? I'd love to apply for a grant through our company's foundation to support something meaningful locally.

If you'd like to discuss this further or meet in person, I'd be happy to arrange that too.

Regards
