

ITEM 17 – ASSET REGISTER UPDATING

Motion - I move that West Rainton and Leamside Parish Council updates its Asset Register to include items missing from the asset register and to the true value of assets it manages on behalf of the local community (Updates highlighted in yellow)

Cemetery Valuation current valuation nominal £1 there are 3 options for valuation original purchase cost in 1939 £1,128 2 Shillings plus annual inflation £66,000, current land valuation 1.61 acres x £10,000 £16,138 or Cost of headstones / surrounds approximately 350 x £750 / £1,000 range £262,000 to £350,000. New nominal valuation £30,000

1. Heritage Garden current valuation £500 (purchase cost of land only). Examination of parish council records show construction costs £19,500 New valuation £20,000
2. Bus Shelter 1 (location to be confirmed from parish records - unconfirmed location Station Road / Rainton Gate)
3. Bus Shelter 2 location Old Durham Road (near Burns Close - constructed between 2006-2013 - Parish Clerk to provide cost from parish records,
4. Current valuation should be reduced to allow for annual depreciation of equipment and seating.

A council register of assets is a working document listing all the property, plant, equipment, and other significant items owned by a council or held in trust on its behalf, ensuring these fixed assets are safeguarded, managed, and publicly accounted for.

Proposal

Cemetery Value Options:

1. Original Purchase cost £1,129 2 Shillings plus inflation £66,000 (proposed new nominal figure)
2. Current land values 1.61 acres x £10,000 / acre = £16,138 (original plot 2.545 acres = £25,450)
3. Cost of headstones / surrounds approximately 350 x £750 / £1,000 range £262,000 to £350,000

Depreciation rate:

The annual depreciation rate for equipment varies widely based on the type of asset and its usage, but generally falls between 10% and 30% e.g. Office equipment nominal 25%.
